

Plug

Part no. 75091

- screw terminals
- · with cable gland
- seawater resistant products are available on request

Technical specifications

Ampere	250 A
Poles	5 p
Voltage	400 V
Clock position	6 h
Hertz	50-60 Hz
Connection technology	Screw terminals
Contact	standard
Protection type	IP 67
Weight	8692 g
Declaration of Conformity	EAC
